

How much?

Pricing is currently being finalised and will be available on our website by February 2012. Based on initial budgeting we expect the cost to be between \$2300 to \$2500 for the Venture with the Pre-tour being around \$950 to \$1000 more.

Whilst that sounds a lot, it includes all of your air fares, Venture fees, all meals and a heap of activities – it's really great value.

What's not included is spending money, and you will need to pick an expedition for during the Venture which will range between \$100 and \$500 depending on what you choose.

Why not start fundraising with your unit now!
